Good Evening Sir,

Here are the details.

Please send a Ranger to Selma Park (6567 Selma Ave. (Corner of Selma and Schrader), Los Angeles, CA 90028) between 11 a.m. - 3 p.m. to do an enforcement/assessment of the site.

If we can get an immediate response on any enforcement action and overall assessment of homelessness in and just outside the Park. That would be great.

Looking forward to the response.

Thanks again.

> - Potential tenants are *scared away* from signing leases as they drive

> around Hollywood

> - People are *afraid to walk* at night (in a neighborhood that has been

> Our two BIDs have done everything we can to ameliorate, partner and be a

> constructive presence. Most recently, both BIDs supported Measure HHH and

> now Measure H. We are educating people about the county sales tax

> measure. We support local nonprofits with funds from our security dollars,

> and we convene a community-wide coalition. We are converting two of our
> BID patrol personnel into full time homeless outreach workers, starting in
> February, because there is no other meaningful outreach happening in
> Hollywood right now.

> Finally, *we would very much appreciate someone from the Mayor's office to
